

File PVD

1 November 1963

STAT

Dear Al:

Forwarded herewith is a copy of the progress report covering the period July and August 1963 on the development which we reviewed recently.

STAT

As you can see, most of the information is pertinent to the viewer which we hope to have under contract for you in the near future, and you are welcome to make this a part of your records regarding this development. Please avoid any further identification of this material and discussion of its content with people who are not aware of our program and have no need-to-know.

Looking forward to a visit with you in the near future.

STAT

Sincerely,

STAT
